

MONIKA DABROWSKA

GRANT TRAINING & COACHING FOR SME BUSINESSES FOUNDER & DIRECTOR OF INNOVATION GLOBAL

Monika is a passionate advocate for SME Business Success. It is her vision to equip innovative business owners, and their teams, with the confidence, skills, and independence to consistently win grant funding.

Monika brings 15 years of experience securing millions of pounds in grant funding for R&D, innovation, and investment projects. She has worked with startups, SMEs, and large organisations across a wide range of sectors, including healthcare, maritime, energy, and digital technologies.

She has trained hundreds of individuals, equipping innovative organisations with the skills and confidence to secure funding through practical grant writing training and programmes that are UNIQUE to Innovaction Global - the only training and coaching company of its kind in the UK.

Monika offers a wide range of training sessions, talks, and podcast topics tailored to innovation and grant success. This is just an example. Please ask for anything specific that you require.

TRAINING, WORKSHOPS & PUBLIC SPEAKING**

MONIKA'S PHILOSOPHY

“The best grant writers for an innovative business are the people already inside it. You understand your vision, your innovation, your market, and your customers better than anyone - plus, you're passionate about what you do. Who could possibly compete with that? Learn the right skills, apply them confidently, and you'll achieve better results than any external grant writer ever could.”
